

BE A VOLUNTEER AT STABLE HANDS!!!

Stable Hands' mission is to enhance the quality of life for special needs individuals through the use of equine-assisted activities and therapies.

WHAT?

Volunteer as much or as little as you can!
Even a few hours a month assists in progressing our students and program forward.

HOW?

Sidewalkers interact one on one with the students by building confidence and maintaining a safe environment during lessons.
Trained horseleaders provide skilled handling of the horse.

No previous experience necessary! Stable Hands provides onsite training.

Volunteers are the most important resource we have.

Help change a life through therapeutic riding!
